At Usborne Books & More, we are not only in the business of books, but we are also in the business of sharing. This has never proven more true than now, during the time of a global pandemic. While times are uncertain and many people are unsure about most things, we have seen the smiles that the sharing of our books has brought to the lives of so many families, students, and overall communities. Just knowing that we have provided some positivity in the midst of it all makes us so honored to do what we do.

Our mission is truly simple:

The future of our world depends on the education of our children.
We deliver educational excellence one book at a time.
We provide economic opportunity while fostering strong family values.
We touch the lives of children for a lifetime.

What we offer is so much more than books, although our books are sure to become long-lasting favorites for all the children in your life. Typically, each and every day, there is a Consultant in the country who is sharing about the importance of reading, book ownership, and even the opportunity to build your own business. Now, more than ever, there are Consultants in your community who are offering hope, encouragement, and let's be honest - a little bit of respite - through our books.

I'd like to take this opportunity to thank YOU! Thank you for all that you have done over the 30+ years we have been in business to support the businesses of our Independent Consultants. We couldn't do what we do without you.

Are you new to Usborne Books & More and this is your first time perusing our catalog? Welcome! Inside you'll find many engaging and educational books for kids of all ages! Ask your Consultant for more information about books that may seem intriguing to you.

Are you a returning customer? We're glad you're back! Your wish list may be growing larger and larger. Maybe it is the right time for you to host your own party (did someone say "Free Books!"). Your Consultant has a date on the calendar waiting for you!

Have you hosted a party? That is awesome! You know how much fun our parties are and I'm sure your friends enjoyed it as well. Just remember, there is a business opportunity that may be just right for you or someone you know.

As the Founder of Usborne Books & More, it has been my honor to see families be transformed by our books and our business opportunity. I have witnessed so many things in my 35+ years at the helm of this Company, and never in my wildest dreams did I imagine that our books and our business would be such an integral part in so many people's lives. I am thrilled that YOU will play a part in our future. Our mission is so important - we need YOU to help us continue in our literacy mission of changing the world one book at a time!

Be a Hero with a Heart

Raising money to fund childhood cancer research.

Scott's Story

Scott Carter was a 13-year-old boy who died in December 1993 after a courageous three-year battle with bone cancer. During the duration of his illness, he put together a remarkable collection of sports and celebrity memorabilia which he called "Scott Carter's Heroes". His dream was to display the collection for the enjoyment of the public and to raise money for children's cancer research. **The HEROES collection** contains over 300 items including jerseys, balls, bats, boxing gloves and hockey sticks from Barry Sanders, Michael Jordan, Larry Bird, Arnold Palmer, Greg Norman, Wayne Gretzky, Nancy Kerrigan, Muhammad Ali, Richard Petty, Garth Brooks, Shannon Miller, and more.

Scott believed that if enough time, energy and money were devoted to children's cancer research, a cure could be found for this dreaded disease, the number one disease killer of children today in the United States. The Scott Carter Foundation was formed to raise money to further Scott's dream of finding that cure!

Over the last 20+ years, the foundation has raised more than \$3 million to fund research fellowships. Now, *you can help with Scott's dream as well* – Be a Hero with a Heart!!
