

A DELICIOUS NEW Title!

Beast - a beast - plans to eat Dinner - a little boy - at a big feast, and sends invitations to all his beastly friends. Readers open the foldout RSVPs to find that everyone is coming! (Though some do have special dietary requirements.) But don't worry about Dinner. He's already got a plan to escape being... dinner.

Dear Beast,
I would love to attend your dining feast. I'm ALWAYS hungry and your Dinner sounds extra tasty. I can't wait. I received your invitation while sharpening cutlery on the Costa del Swamp. I've popped my recipe below... Do you have any cockroaches nearby? Fingers and horns crossed!

I wonder, would you mind following Dinner up a tad? I love my food juicy and plump - just like me! I'm particularly fond of chewing chabby fingers. Anything too messy gets stuck to my teeth.

See you soon, dear chum - and remember to SAVE THE FINGERS FOR ME!

Yours Sincerely,
Sir Groucho
Last Guest of Pompey Swamp

P.S. Sorry about the slime, the doctor says it should stop soon.
